RULING OF THE CHAIR

The Senator from the 11th, Senator Davis, raised a point of order that senate amendment 1 to assembly amendment 23 to Senate Bill 120 was not germane as it was incorporating the language of Senate Bill 36 as an amendment. The Chair ruled the point of order not well taken. By unanimous consent the Senator from the 11th asked that the ruling be printed in the Journal. The Chair has taken the liberty to formalize the ruling by doing further research.

Senate amendment 1 in the first paragraph deletes a substantial amount of material from the original proposal which is not done in Senate Bill 36. In addition, on page 2 of the amendment, the amendment makes changes to section 11.26(12m) of the Statutes. No where in Senate Bill 36 is that section of the statutes affected.

On April 6, 1984, the Chair ruled on a similar point of order raised by the Senator from the 15th. It may be found on page 873, Journal of the Senate, April 6, 1984. It reads in part "It appears to the Chair that the Senator from the 29th, Senator Chilsen, is attempting to bring forth the same language as Senate Bill 114 and senate substitute amendment 1 by adding some new material to the amendment that is already current law. The Chair has serious questions about this practice; however, when the question of germaneness is close, Mason's Manual Section 401(5) states in part: "The Presiding Officer should never rule an amendment out of order unless he is certain that it is." In this case the Chair ruled the point of order not well taken and permitted the amendment to be debated.

The Chair based the ruling of germaneness of senate amendment 1 to assembly amendment 23 to Senate Bill 120 on this ruling, and therefore ruled the point of order not well taken.

To the Honorable, the Senate:

I am submitting to you the 1985-86 plan for the use of surplus reserves in the Wisconsin Housing and Economic Development Authority (WHEDA). The plan includes revisions by WHEDA following an audit report by the Legislative Audit Bureau and other revisions I have made to the plan.

The most significant revision I have made to the plan is the creation of a new Plan Category 5, Economic Development Investment. I am working with WHEDA to create a Seed Capitol Fund to promote the creation of new businesses in Wisconsin. I have reallocated \$1 million from Plan Category 3, Short Term Lending, to the Seed Capital Fund in the new Plan Category 5. Consequently, I have also eliminated the allocation of Economic Development Loans in Plan Category 2, shifting the \$2.25 million to Other Housing Loans.

I believe WHEDA can play an important role in building a seed capital fund to promote new businesses in Wisconsin. The investment of \$1 million of WHEDA surplus reserve funds will be able to attract other private sector investments. A subsidiary of WHEDA will collect the funds and invest in new business ventures. The necessary legislation to allow WHEDA to make such investments is currently working its way through the legislative process. I hope you will support this effort.

I have also changed the 1985-86 plan as submitted by WHEDA to include a separate allocation in Plan Category 3, Intermediate Term Lending, for Bridge Loans in the Community Housing Alternatives Program (CHAP).

I hope you will agree with these changes and advance the plan through the remainder of the review process. Please contact me if you have any questions or concerns.

Respectfully,
ANTHONY S. EARL
Governor
